

## Home Learning – Jobs you can do at home

Maths – Timetables Rockstars/ Numbots. Try and go on this everyday and beat your score	Follow a recipe and make something. What did you bake? Write the down the ingredients and the measurements. How did the ingredients change? Who did you share it with?	Play a board/card game with someone
Keep a diary of your time at home	Create a collage using things you have found outside	Read your school book and other reading materials (newspapers, recipes, instructions etc)
Set your self a physical challenge e.g How many jumps can you do in a minute? Do this everyday and record it – can you improve?	Use the list of websites below to practise reading, writing and maths skills	Do as many of the 100 things to do indoors on the spread the happiness sheet (tick them off)

Please record anything you do, in your exercise book and any reading in your reading diary.
