

Year 3 and 4

Alongside the recommended resources and links, these are the key skills your child would benefit from practising at home on a regular basis. The timings are only a guide as we do not want to add extra pressure at home during an already challenging time.

(Daily) Reading

Try to read a range of books

(fiction/non-fiction – novels / comics/ magazines /websites /newspapers)

Weekly Activities you could try

- Write a description of the main character or setting
- Summarise the story or chapter into one paragraph
- Try to infer how a character might have been feeling at different parts of the story
- Try to predict what the story might be about based on the cover. Can you predict the ending?
- Write a book review or recommendation
- Create a fact file from the information

(Daily) Learn the statutory spellings for Year 3/4 (See online)

- Look, cover, write, check
- Speed write a word repeatedly and see how many times you can write it in 60 seconds
- Have a test
- Create a word search or cross word using the spellings.
- Learn what the words mean
- Explore spelling rules.

(Daily) Practise your times tables

Y3 learn the 2s, 3s, 4s, 5s, 6s, 8s, 10s

Y4 learn all of the times tables up to 12 x 12

- Online games – TT Rockstars everyday!
- Write them out in order
- Jumble them up
- Test yourself
- Learn the related division facts
- Roll a dice or pick two playing cards and multiply the numbers together
- Play Rock, Paper, Scissors with a partner by holding up an amount of fingers. Race to multiply your own and partners numbers together.
- Fraction Activities : Practical – Try splitting some food items up into different fractions. For example if you make a cake, could you cut it into halves, quarters, eighths. You could do the same with pizza, sandwiches, etc.
